# CONSIDERATIONS

- 1 Before contracting any service, you should consult an executive to obtain the corresponding format, greater information as well as terms and conditions.
- 2 To get the advance rate, you must pay 100% of your service at least 15 calendar days prior to the first day of the event setup.
- 3 If you will make your payment in dollars via bank transfer, you should consult your service module executive regarding the bank account number to which the deposit must be made.
- 4 The client must calculate the amount in dollars deposit according to the exchange rate in force on the day of your payment.
- 5 In case of any discrepancy between the payment received in dollars and the price in pesos, this must be settled prior to the delivery of your services, considering bank's commissions.
- 6 **The prices shown here do not include VAT and are subject to change without prior notice.**
